Terms & Conditions:

All applications for Chamber membership are placed before the Board of the Chamber for approval. Application for membership implies that, if accepted, the business covered will abide by the constitution of the Chamber as set out in the Memorandum & Articles of Association & Byelaws, copies of which may be inspected at the Chamber's headquarters. Subscriptions are due annually in advance. Written notice of the intention to resign from membership must be given to the Chamber not less than one calendar month before the subscription falls due for payment. Failure to provide such notice will render the retiring member liable for the amount of subscription for the ensuing year. As a chamber member you will be included on the Chamber of Commerce database and the Leicestershire Business Companies database to ensure that you are kept informed about help and assistance available to your business from the Chamber of Commerce and its partners. The partners are Business Link Leicestershire, Leicestershire Learning & Skills Council, Leicestershire County Council and Leicester City Council with whom the information is shared. The database is used as a direct marketing service. The information may be available at a charge to businesses wishing to source goods and services locally or provide information on their products or services and may be made available to a worldwide audience by use of the Internet.
